Re: *United States v. Michael Scronic, 18cr0043-CS*

Dear Judge Seibel:

This letter is written on behalf of Michael Scronic and to update the Court about events since submission of my June 7, 2018 letter requesting an appointment of counsel hearing. It is my understanding that Alexei Schacht, an attorney based in Manhattan, plans to file a notice of appearance today on Mr. Scronic's behalf in the above captioned case. I spoke with Mr. Schacht this morning, who confirmed his intention to file a notice of appearance. Accordingly, no appointment of counsel hearing is warranted at this time.

Respectfully submitted,

Jason I. Ser
